

Beginning Animal Communication Virtual Retreat Students and their Animal Friends

The students in this handout are from the live August 2012 *Beginning Animal Communication System Virtual Retreat*. This document is provided to you for ease of reference as you go through the material in the *How To Talk To Animals, The Complete System: Beginning Core Foundations Home Study Course*.

Please Join Us in the Animal Talk Coaching Club forum where you may find these students actively engaging with each other. They will be happy to hear what you received about their animal and can give you feedback to help you develop your skills.
