

The Heart School
of Animal Communication

Val Heart
The Real Dr. Doolittle™

Who is Val Heart?

Val Heart is called the real-life Dr. Doolittle, she is a leading animal communication expert and animal communicator to the stars. She is the bestselling author of "Don't Screw Up Your Dog," and has been a featured expert on ABC, NBC and Fox News, as well as in People Magazine, My San Antonio, and Great Day San Antonio.

She is the founder of the Heart School of Animal Communication. She created the HEART System, a 5-step program for solving problems with pets. Val also specializes in helping show horses improve performance, health, and well-being. Her work includes intuitive medical scanning, Quantum Leap therapies and BodyTalk healing for animals and people to transform health, behavior, and wellness.

"Animals are Angels, Teachers, Guides and Healers. They are smarter than you think! When we learn to recognize, respect and revere them for who they truly are, they make us better people."

If you've ever wished you could just put a microphone into your pets' heads so you could know what they're thinking, then get ready to transform your relationship with your pets forever.

It is her destiny and life's purpose to help people who are struggling with their animals.

Seen On!

Testimonials

“Val is absolutely passionate about the work she does. She is The ONE to hire for my horses!” Dr. Rita Lutsgarden, Women on the Leading Edge

“Val has an amazing gift. Anyone with animals would benefit from her wisdom and passion.” Elena Saris, Criminal Defense Attorney

“Val’s precious contribution to the show horse community brings the “Gold Medal” home to each of us! Thank you, Val!” Julie Renee Doenig, Master Health Activator, Speaker, Author

“Such a gentle soul. I can see why the animals talk to her!” Mel Kong, Gout, and Life Balance Specialist
